¹ Reported using the most recent viral load recorded for each client as of December 31, 2019 among those served by the Part B program or ADAP in calendar year 2019 (including those clients on ARVs); and as of December 31, 2020 among htose served by ADAP in calendar year 2020. If a client did not receive a viral load during calendar year 2019, reported based on the last viral load recorded for that individual prior to December 31, 2019.

² Individuals who had an insurance (i.e., Medicare Part D, Medicaid, private insurance) payment (premium, co-payment/co-insurance, and/or deductible) paid on their behalf using ADAP funds, either fully or in part.
