HRES334	Supporting the goals and ideals of National HIV Testing Day	Expresses support for the goals and ideals of National HIV Testing Day, and the implementation of the National AIDS Strategy with clear goals and objectives to reduce new HIV infections. Encourages state and local governments to encourage individuals to undergo counseling and testing for HIV and other sexually transmitted diseases, and the use of rapid test kits approved by the Food and Drug Administration (FDA) for HIV testing	Introduced 6/24/2011; Referred to the House Committee on Energy and Commerce; Referred to the Subcommittee on Health	Barbara Lee (D-CA)
SRES162	Sense of affordable housing is an essential component of an effective HIV/AIDS strategy and must be adequately funded	A resolution expressing the sense of the Senate that stable and affordable housing is an essential component of an effective strategy for the prevention, treatment, and care of human immunodeficiency virus, and that the United States should make a commitment to providing adequate funding for the development of housing as a response to the acquired immunodeficiency syndrome pandemic.	Introduced 5/4/2011; Referred to the Senate Committee on Banking, Housing, and Urban Affairs.	Robert Menendez (D-NJ)
Global HIV/AIDS Legislation				
		<i>This will be filled out as related legislation is introduced</i>		
Hepatitis Legislation and Resolutions				
		<i>This will be filled out as related legislation is introduced</i>		
General Legislation and Resolutions				
HR1085; S578	Repealing Ineffective and Incomplete Abstinence-Only	Eliminates funding for abstinence-only programs and reprograms funds for the Personal Responsibility Education Program (PREP)	Introduced 3/15/11; Referred to the House Committee on Energy and Commerce and Committee on Appropriations; Referred to the	Barbara Lee (D-CA); Frank Lautenberg

Bill Number	Bill Name	Description	Status	Sponsors
	Program Funding Act of 2011		Senate Finance Committee	(D-NJ)
HRES176	Commending the progress made by anti-tuberculosis programs.	Supports the goals of World TB Day to raise awareness about tuberculosis. Commends the progress made by U.S.-led anti-tuberculosis programs. Reaffirms the commitment of the House of Representatives to global tuberculosis control through the Tom Lantos and Henry J. Hyde United States Global Leadership Against HIV/AIDS, Tuberculosis, and Malaria Reauthorization Act of 2008.	Introduced 3/17/11; Referred to House subcommittee. Status: Referred to the Subcommittee on Africa, Global Health, and Human Rights	Eliot Engel (D-NY)
HR1319	Global Sexual and Reproductive Health Act of 2011	To promote the sexual and reproductive health of individuals and couples in developing countries, and for other purposes.	Introduced 4/1/11; Referred to the House Committee on Foreign Affairs. On 5/13/2011 referred to the Subcommittee on Africa, Global Health, and Human Rights	Yvette Clarke (D-NY)
HR1774	Increasing Access to Voluntary Screening for HIV/AIDS and STIs Act of 2011	To increase access, quality, and affordability for voluntary and medically appropriate screening for HIV/AIDS and other STIs, reduce the spread, morbidity, and mortality of HIV/AIDS and other STIs. Reduce the disproportionate incidence of HIV/AIDS and other STIs in certain groups through early detection and treatment and comprehensive education for health care providers, centers, and communities. Supports the execution of other scientifically based interventions that are culturally competent and age appropriate and are proven to reduce the incidence of HIV/AIDS and other STIs.	Introduced 5/5/2011; Referred to the House Committee on Energy and Commerce, the Committee on Education and the Workforce, Ways and Means, and Oversight and Government Reform. On 5/13/2011 referred to the Subcommittee on Federal Workforce, U.S. Postal Service, and Labor Policy On 5/20/2011 referred to the Subcommittee on Health, Employment, Labor, and Pensions	Alcee Hastings (D-FL)
