

The TN Dept of Health is seeking a director for the state's HIV Ryan White Program. Responsibilities include federal grant management, supervision of a large medical and support service program, personnel management, public liaison work, training and coordination with other agencies. Applicants should have substantial health program management experience. Email resume to Donna.Teasley@tn.gov or call 615/741-7247 for the mailing address. Resumes will be accepted through July 15, 2009. The Tennessee Department of Health is an equal opportunity, equal access, affirmative action employer.
