

# FREE HIV TESTING!

*awareness*

**Washington University  
Infectious Diseases (WUID) Clinic  
& Project ARK are pleased to offer  
free confidential HIV testing here  
at 4570 Children's Place.**

HIV testing is available on a walk-in basis.

Monday-Thursday:  
9am-noon & 1pm-3pm

Friday:  
9am-11am

*The Centers for  
Disease Control and  
Prevention (CDC)  
recommend people  
ages 13-64 get  
tested for HIV.*

The HIV testing method used here  
is the OraQuick Rapid Test.  
Preliminary results are ready  
in about 20 minutes.

**Bring your spouse or partner to your next  
clinic visit so he or she can get an HIV test!**

**Tell your friends and family to stop by and get an HIV test!**

*HIV testing here is confidential, not anonymous.*

*The only nearby place that offers anonymous HIV testing is the City of St. Louis Health Department (634 North Grand Blvd).*
