Where to Start.....

- What will and will not work for my ADAP?
 - Budget?
 - Sustainability?
 - Politics?
- What does the community want?
 - Is cross RW Part Collaboration possible?
 - Medicaid wrap-around?
 - Off formulary coverage?
- What does my Formulary Committee want?
 - HRSA Guidance Impact
 - Partnership Opportunities

Where to Simmer.....

- Is everything in the slow cooker?
- Are we ready to start cooking?
- Are we ready to sample the recipe yet?
- Are we prepared to add/reduce, if needed?

When Can We Eat.....

- Is this the best we can do for now?
- What can we change for the next recipe?
- Did I feed *everyone* the best I could?
- Is this better than how I thought?
