

Implementing Status Neutral Programming in Chicago

NASTAD HIV Hepatitis Technical
Assistance Meeting

Primary Topics

- Engagement
- Services and Outcomes
- Fiscal
- Administrative Considerations

Engagement

- Planning Council
 - Regional and Population Advocacy Groups
- Delegate Agencies
- Service Provider Councils
- Non-affiliated Community Members
- Population-specific Focus Groups
- Giant meetings with the heads of local organizations

Engagement

- Internal engagement
 - Programmatic as well as administrative
- Contract extensions
- Infrastructure Development Grants
- ...And we are still engaging about implementation. We will engage about process and evaluation and outcomes and adjustments that need to be made along the way. PS19-1906 for example. Continuing to refine our Integrated Planning Council.

Services and Outcomes

- Really, direct services provided by our delegate agencies and sub-contractors was the easiest to figure out.

PCHH	HIV Screening (Targeted and Routine)
ESS	Legal Assistance
Primary Care	Food Assistance
Housing	Transportation
Resource Coordination	Case Management

- All given an 18-month start up period.

Services- How To

- Outcomes-based definitions of success
 - Improved viral suppression rates
 - Improved PrEP equity rates
 - All monitored by demographics and geography
- Guiding Principles
 - Dismantling Racist Systems
 - Trauma-Informed Services
 - Cultural Responsiveness
 - Health Equity
- Community Development
- Evaluation

Fiscal

- Play to the strengths of the Funding
 - Ryan White, CDC HIV Prevention and STI Prevention, HUD/HOPWA, City of Chicago Corporate Funding, IDPH PrEP funding, and some private grants
 - CDC is rather flexible but limited to the City of Chicago
 - Brought about working with on a state level for funding and planning
 - Ryan White is more rigid but has reach and infrastructure
 - Also, what happens if we apply a Payer of Last Resort to services provided to people who are vulnerable to but not living with HIV?

Administrative

- Shifting our internal teams
 - Healthcare Access
 - Community Development
 - Housing and Resource Coordination
 - Contracts Compliance Unit
 - Capacity Building/Technical Assistance Unit
- Changing what monitoring looks like.
- Issuing RFPs and awards
- Contracts? Finance Officers?
