NH Ryan White Enrollment Process

Required for enrollment

- Signed Release of Information (ROI)
- Patient Medical Information (PMI),
- Proof of Income
- Proof of NH Residency

NH Ryan White Enrollment Process

Required for enrollment

A complete application to NH *Medicaid* is required one time per year UNLESS

- Open, current Medicaid already
- Household Income over 200% FPL*; or
- Open Medicaid QMB/SLMB; or
- Immigration status which prohibits eligibility.

* If household income falls below the 200% FPL, at any time within the year, an application to Medicaid is required.

NH Ryan White Enrollment Process

- Verification of HIV – lab results - may be accepted in lieu of the PMI for new enrollments. A PMI must be provided as soon as the client has been seen by a physician
- Applications are approved or denied within seven business days
- Enrollment is for 6 months - Applicants who re-enroll may submit a Re-certification Attestation Enrollment in lieu of a full enrollment once each year

NH Ryan White Enrollment Process

Re-certification Attestation Enrollment

- Re-certification Attestation Enrollments may be submitted at every other enrollment period – i.e. once per year.
- Any changes from the previous enrollment such as address, household size, income and/or insurance, must include supporting documentation.
- Applicants must have applied to NH Medicaid in the previous 12 months
- If a client incurs a lapse in enrollment, a full application is required.

NH Ryan White Enrollment Process Quality Improvements

- **Change to Medicaid application requirement:
No one over 200% FPL**
- **Change to annual enrollment requirement:
Once per year attestation**
- **Document collection:**
 - Scan & upload to CAREWare.
 - Use of FTP to transfer documents

NH Ryan White Enrollment Process Future Improvements (?)

- CAREWare Version 6 – browser based and potential for hosting externally
- Transition to built-in CAREWare Eligibility module (currently using Subform module)
- Data sharing agreements with CMS and with NH Medicaid
